drawing on a global history of politicized writing this book explores literature's utility as a mode of activism and aesthetic engagement with the political challenges of the current moment the question of literature's uses has recently become a key topic of academic and public debate paradoxically however these conversations often tend to bypass the rich history of engagements with literature's distinctly political uses that form such a powerful current of 20th and 21st century artistic production and critical theoretical reflection the political uses of literature reopens discussion of literature's political and activist genealogies along several interrelated lines as a foundational moment it draws attention to the important body of interwar politicized literature and to debates about literature's ability to intervene in social reality it then traces the mobilization of related conversations and artistic practices across several historical conjunctures most notably the committed literature of the 1960s and our own present in mapping out these geographically and artistically diverse traditions including case studies from the americas europe africa india and russia contributors advance critical discussions in the field making questions pertaining to politicized art newly compelling to a broader and more diverse readership most importantly this volume insists on the need to think about literature's political uses today at a time when it has become increasingly difficult to imagine any kind of political efficacy for art even as the need to do so is growing more and more acute literature may not proffer easy answers to our political problems but as this collection suggests the writing of the 20th century holds out aesthetic resources for a renewed engagement with the dilemmas that face us now

the main objective of the book is to discuss the theoretical investigations carried out by indian women writers in their works and to arrive at a deeper

understanding of feminist contentions

the oxford handbook of modern indian literatures is a compilation of scholarship on indian literature from the 19th century to the present in a range of indian languages on one hand because of reasons associated with national academic structures publishing resources and global visibility english writing gets privileged over all the other linguistic traditions in the scholarship on indian literatures on the other hand within the scholarship on regional language literary productions in hindi marathi bengali etc the critical works and the surveys focus only on that particular language and therefore frequently suffer from a lack of comparative breadth and or global access both reflect the paradigm of monolingualism within which much literary scholarship on indian literature takes place this handbook instead focuses on the multilingual pathways through which modern indian literature gets constituted it features cutting edge literary criticism from at least seventeen languages and on traditional literary genres as well as more recent ones like graphic novels it shows the deep connections and collaborations across genres languages nations and regions that produce a literature of diverse contact zones generating innovations on form aesthetics and technique foregrounding themes such as modernity and modernism gender caste diaspora and political resistance the book collects an array of perspectives on this vast topic

the present book while making a close study of the thematic concerns in mahasweta devi s five plays attempts to show the uniqueness of her dramatic vision and her artistic excellence in the treatment of unusual themes that bring home to us the different modes of exploitation prevalent in both urban and rural world

rudali is a powerful short story written by mahasweta devi revolving around the life of sanichari a poor lowcaste village woman it is an acidly ironic tale of exploitation and struggle and above all of survival in 1992 it was adapted into a play by usha ganguli a leading theatre director of calcutta and instantly became one of the most acclaimed productions of its time in both incarnations of rudali it has been a woman who has wrought and rewrought this text which revolves around the life of a woman and each version of rudali can be read as an important feminist text for contemporary india both the short story and the play are included in this volume along with an introductory essay that studies how and why the versions are different and what the changes signify leading to an analysis of how the metamorphosis of rudali allows us to address the simultaneity and asymmetry of feminist positions in this country today anjum katyal who has translated and introduced the texts in this volume is a writer and an editor based in calcutta mahasweta devi is one of india s foremost writers her powerful fiction has won her recognition in the form of the sahitya akademi 1979 jnanpith 1996 and ramon magsaysay 1996 awards the title of officier del ordre des arts et des lettres 2003 and the nonino prize 2005 amongst several other literary honours she was also awarded the padmasree in 1986 for her activist work among dispossessed tribal communities
